

Halesowen Town Colts Vs Romulus FC- Midland Junior Premier Football League 2009/10 Under 13's Cup Final

After a fantastic opening season Halesowen Town Colts Under 13's made the prestigious Midland Premier League Cup Final. The match was played at the Valley Stadium, home Of Redditch Utd , against the unbeaten League One champions Romulus. Our two previous meetings saw us concede nine goals without reply, so this was going to be a mark of how we had improved this year.

With Romulus chasing the league and cup double they started much the better side, only minutes in a huge punt from their keeper bounced once and their striker volleyed into the top corner for a 0 - 1 lead. We were struggling to cope with their physical presence and they doubled their lead when their striker became free in the box and hit hard and low to make it 0 -2. This was not the start we needed and it would have been easy to let this game run away from us, however we were starting to get the ball down and play our flowing football, we got our reward when our leading scorer Jack Perks found himself free in their box and hit a perfect strike over their keeper for a half time score of 1-2. We then came out the second half up for the task, we were moving much better and when a great cross was met by a brave and superb header by Daniel Fergusan we were level at 2-2. Unfortunately Dan's bravery inputting his head in, saw him taken out by their keeper and meant he left the field of play early. We were now on a roll and looked as if we would go on to pinch this game. However Romuls' strength and pace was difficult to deal with and when they again broke free in our box it was only a great bottom corner save by keeper Jack Jones that kept us in it.

Our play this half was superb and we looked as if we were going to be the team that produced the winner. Next came the save of the match, their striker wriggled free in our box and hit a great strike goal wards only for Jack to get a strong hand onto the cross bar, unfortunately the rebound fell to the only unmarked player on the pitch who finished well 2-3 down. That goal gave them a lift and minutes later they hit a great strike that again Jack got a fantastic hand to but it managed to fall just under the crossbar for a final 2-4 score. Our lads were so close to pulling off a shock result today, but in our first season in this league have began to build a superb reputation that Halesowen Town are here to play the game as it should be played. A massive thanks to Rob and Phil who have driven our lads to overachievement this year. All our lads are proud to be part of Halesowen Town Football Club and look forward to growing our reputation next season.
