Background information

Dudley CVS's vision is:

“Caring, vibrant and strong communities where everyone can fulfil their potential”

And Dudley CVS's mission is:

“Connecting and inspiring people and organisations to achieve positive change while championing their value to partners and the wider community.”

To achieve these, Dudley CVS:

- Helps individuals that access health and social care services. This includes listening to people's experiences of services and working with service-designers to improve them, connecting individuals to decision-makers and helping them get their voices heard and supporting them to access services that improve their health and wellbeing.
- Supports people and communities that want to make a positive impact. This includes helping people to come together to plan projects and activities that benefit local communities, connecting people and communities to service-designers and encouraging collaboration and signposting to volunteering opportunities.
- Providing tailored support to people that set up and manage voluntary and community organisations, charities and social enterprises. This includes training people to organise and lead their group, supporting with paperwork, planning and financial management. Dudley CVS also supports organisations with involving volunteers, measuring and demonstrating impact and connects them to potential partners and funding opportunities.

Dudley CVS also acts as a trading company. Its assets are DY1 and Brierley Hill Civic Hall.

In addition, we are a key player in the borough in terms of strategic and partnership work to ensure that the role of the voluntary and community sector is maximised.

The voluntary and community sector is very diverse, spanning small, solely volunteer-led community groups to large charities that employ staff and growing social enterprises that trade to achieve their social aims. Many of these organisations are managed by an elected committee of volunteers. They can receive funding for their work from sources including the council, regeneration schemes, Europe or other charitable funders such as the National Lottery Community Fund. Other groups will have no or only small amounts of funding and rely entirely on volunteers to carry out their work. Dudley CVS receives its 'core' funding from Dudley Council and we also receive funding from various other sources, including contract management fees via Dudley CVS.

Working at Dudley CVS

Dudley CVS is a friendly, versatile and creative charity. We help people and organisations that want to make a positive difference in communities across Dudley borough.

We have a team crammed full of enthusiastic people with a dazzling diversity of skills and knowledge. Our staff team is 40 people and growing. We have an informal working environment and the spaces team members choose to work from are friendly and welcoming - from our main office in Brierley Hill to the premises at Brierley Hill Civic Hall and DY1 in Dudley. Staff working for Dudley CVS have many opportunities to develop their skills and experience and to prioritise and manage their own workload on a day to day basis.

We are governed by a board of directors who give their time voluntarily. The directors are elected from and by our members, which are voluntary and community organisations operating in Dudley borough.

Dudley CVS is a company limited by guarantee and a registered charity.

We have been firmly rooted in Dudley borough for over 40 years and we have a palpable passion for Dudley borough's amazing people and places.

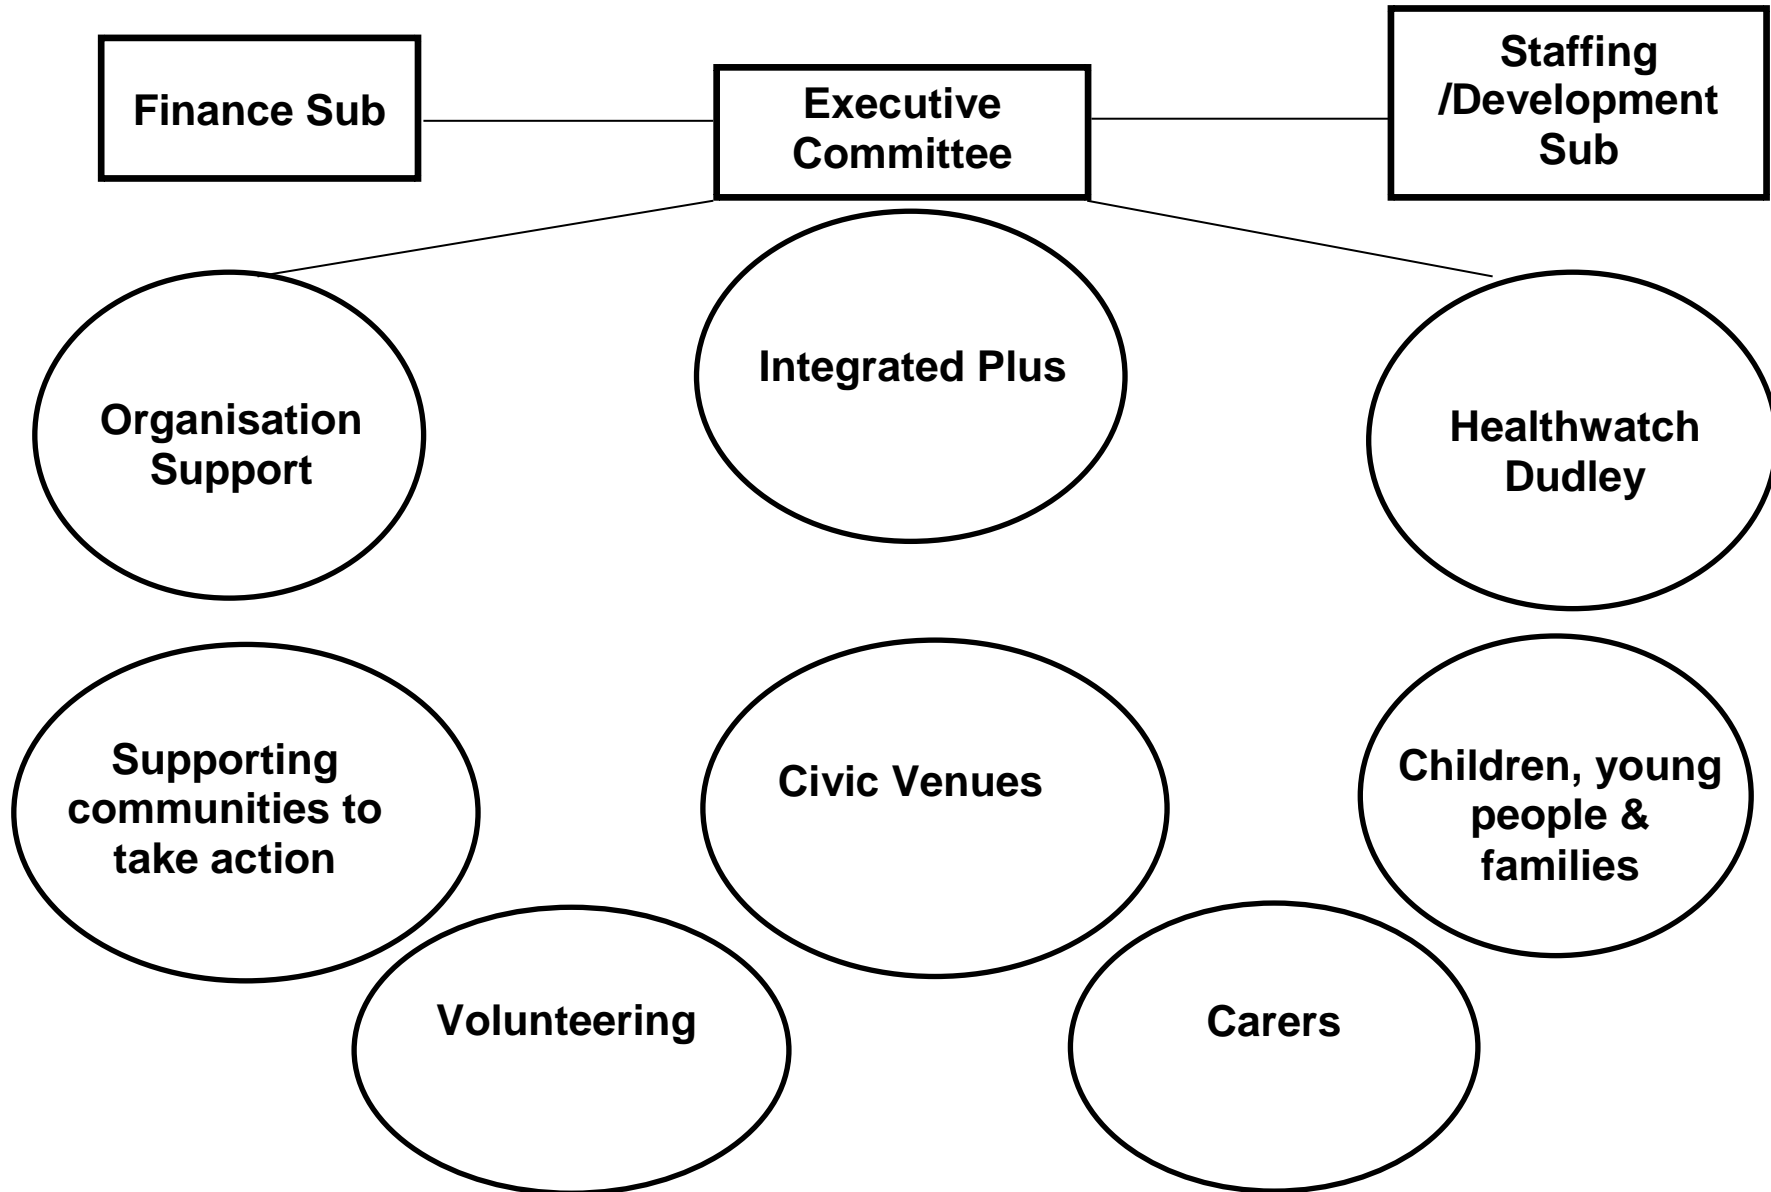

Join us to help the whole team with the increasingly crucial role of supporting people to do more for themselves at the same time as creating positive outcomes within our communities.

During recruitment processes, we look for people who have a 'can-do' attitude and are able to find ways and means to undertake work when solutions may not always be initially obvious, and people who relish a busy working atmosphere.

GUIDELINES ON COMPLETING YOUR APPLICATION

It is very important that you read this information before completing the form.

How we decide who to invite for interview

Dudley CVS uses a scoring system in order to select those applicants who will be invited for interview. We give marks according to how well your application meets each point in our **Person Specification**. The candidates with the highest total scores are then invited for interview.

You will find a Job Description and a Person Specification enclosed in your pack. The job description tells you about the tasks you will be asked to do if you're successful; the Person Specification describes the person we are looking for to fill the post. Your application should, therefore, be based on the Person Specification.

How you can give yourself the best chance of being successful

Whilst we do need, and take note of, all the information you give us, the most important part of the form is:

SECTION 6. EXPERIENCE

This is your opportunity to tell us clearly how your experience and abilities relate to each of the requirements in the Person Specification. Although reference to the Job Description is always good, **it is the details of the Person Specification that you will be scored against.**

It would be helpful if you write your information in the same order as the requirements are set out in that document.

It is also useful if you provide some evidence about how well you did a task. Below is an example of a good response.

From the Person Specification: "Experience in the use of word processing and spreadsheet packages."

Response: "I have used word processing extensively to produce letters, reports tables and minutes. I am good at spelling and punctuation and always take care to proof read and to make sure that the document is well laid out. I have used spreadsheets in my voluntary capacity as book-keeper for a small group. I have set up a system to calculate cash in hand at the end of each month and to compare expenditure against budget, which has been easily followed by the Management Committee."

Other sections on the Application Form and how to fill them out.

2. EDUCATION/TRAINING/QUALIFICATIONS

Please detail the information that is relevant to your application. It is not necessary to list the schools / colleges you attended. Please note that, should you be offered the post, you will be asked to supply evidence of your qualifications (original certificates for example).

3. RELEVANT NON-QUALIFICATION LEARNING

We are interested in any learning you have taken part in **which is relevant to the post**. This could be short courses, company in-house training, voluntary work, computer based training or one-to-one mentoring.

4. PRESENT/LAST EMPLOYMENT

Use this section to describe to us your current or most recent duties and responsibilities, emphasising those **which relate to this application and your level of responsibility**.

5. PAST EMPLOYMENT (MOST RECENT FIRST)

We are interested in your relevant duties but also in the breadth and variety of experience that you have had. If you feel it is relevant, please give us some detail of your different responsibilities. You can use an extra sheet if necessary.

Unless there is something you particularly want to tell us about, there is no need to include information for more than the past 15 years.

6. REFERENCES

Please check with your referees that they will be available to supply a reference, if required, immediately after the interview date. If one of your referees is on holiday or otherwise unavailable for a time, please attach to the form the times when your referee will be available or find an alternative person.

7. CRIMINAL CONVICTIONS

Certain posts within Dudley CVS involve working with vulnerable adults and children. If you are applying for such a post, the law requires that we requested a Disclosure and Barring Service check on you.

Unspent criminal convictions will only be taken into consideration if they are directly relevant to the post. Failure to disclose unspent convictions could result in disciplinary procedure should you be appointed.

Please note that emailed applications will be accepted and should you be shortlisted for interview you will be asked to sign the form.

9. CLOSING DATE

Please make sure that you post the form in good time. **Dudley CVS cannot accept late arrivals.**

13. ELIGIBILITY TO WORK IN THE UK

English law requires that all employers check that everyone they employ is legally eligible to work in the UK.
