

## Cultural Consortium Project Proposals for Commonwealth Games Legacy Fund

### **Performance and Artistic Movement Project**

Following successful local projects doing songs, poetry, collage, photography and bookmaking etc.; we would now like to engage with local groups who do performance. This could be dance, gymnastics, theatre or a combination of disciplines. We are looking for bids to create something new, with young children and adults stepping outside of the normal activities of these groups to work collaboratively to create a performance.

It is important to us to hear the ideas of young people, but we welcome bids from mixed age groups. The bid could include funding for planning and designing time, costumes, rehearsals, final performance costs, venue hire, refreshments; or what ever your group or combined groups feel is required to deliver a complete performance piece. The planning and final work should include many young people to showcase the talented youngsters of Brierley Hill and how their ideas and skills come together to intrigue and entertain an audience.

The final performance needs to take place here no later than mid December 2024. You can involve other groups with different styles and disciplines. Any idea will be considered, but we encourage you to try something new and innovative that you have not tried before.

Please send a proposal (instructions below) with an outline of costs to [culture@brierleyhill.net](mailto:culture@brierleyhill.net) covering artist time, workshop costs and venue hire (this can be the cost of hiring your own building), styling and performance costs. Plus any other fees you feel are required to complete the project. Support will be given by the Brierley Hill Cultural Consortium to find groups, venues and establish connections to assist you, if required.

If you have your own ideas for other cultural projects in Brierley Hill, to complete between now and early December 2024, please get in touch using the same method/email address.

**To bid for funding, please send us as much information as you can about your plan/idea covering the headings below (MAX two pages).**

1. Your project idea.
2. Proposal of how the project will run.
3. Timeline of workshops and activities.
4. Budget for the total cost of project with a brief breakdown of spend.
5. Outputs and impact (what will your project add to the community?).
6. Any other notes you feel are relative for consideration.
